

Affiliations

Lutheran Medical Center's services are both patient focused and educationally oriented. Through our affiliations with local colleges and universities, Lutheran Medical Center is able to offer the finest services that our area has to offer. Lutheran Medical Center is a major teaching affiliate of the State University of New York Downstate Medical Center, and is a cardiac care affiliate with Lenox Hill Hospital.

The Nursing Department has many academic affiliations including:

College of Staten Island	Molloy College
Kingsborough Community College	Pace University
Hunter College	SUNY
Long Island University	Wagner College School of Nursing
